Contents (page 3)

We have made some changes to the 'IMPORTANT INFORMATION' section of the table of contents on page 3 of the PDS.

Please read 'Our Partnered Repair Network' as 'Our National Partner Repair Network'. We have also added 'Repairing your car - choice of repairer' to page 10 and changed 'Motor Vehicle Insurance and Repair Industry Code of Conduct (including Choice of repairer)' to read 'Motor Vehicle Insurance and Repair Industry Code of Conduct'.

Our Partnered Repair Network (page 10)

The wording in this section on page 10 of the PDS has been deleted and replaced with the following:

Our National Partner Repair Network

We want to make your car repair process easy, so we have established a National Partner Repair Network. These repairers must meet our high selection standards of repair quality and service.

When you use one of our partner repairers you do not need to shop around for quotes and we will guarantee the quality, workmanship and material used in the repair.

We have inserted the following wording on Page 10 of the PDS:

Repairing your car – choice of repairer

If you make a claim and we agree to repair your car, we can arrange for one of our partner repairers to repair your car. Alternatively, you can choose any repairer you like to fix your car as long as they have the necessary licences to do the repairs.

We may subcontract part of the repairs to another repairer.

Our Parts policy

If we agree to repair your car then we will use parts suitable for your car's age and condition, as follows:

- in most circumstances new Original Equipment Manufacturer (OEM) approved parts will be used if your car is under 3 years old,
- new and/or reusable non-mechanical or reconditioned OEM parts may be used in the following circumstances:
 - o your car is over 3 years old; and
 - o it does not affect the safety or the structural integrity of your car; and
 - o it complies with the applicable Australian Design Rules and the car manufacturer's specifications.
- for windscreens, we use parts which are compliant with Australian Design Rules

Motor Vehicle Insurance and Repair Industry code of Conduct (page 10)

The wording under the heading 'Motor Vehicle Insurance and Repair Industry code of Conduct' on page 10 of the PDS is deleted and replaced with the following wording:

We adhere to the Motor Vehicle Insurance and Repair Industry Code of Conduct.

This code is intended to promote transparent, informed, effective and co-operative relationships between smash repairers and insurance companies based on mutual respect and open communications.

Additional Benefits (page 24 and 26)

We have made changes to the table on page 24 and 26.

On page 24 under the heading 'What is covered' we have deleted the 'Choice of licenced repairer' benefit and replaced it with:

Choice of repair

If we assess that your car can be repaired, you can choose to:

- use our partner repairer, or
- use your own repairer as long as they have the necessary licences to do the repairs.

On page 26 under the heading 'What is covered' we have replaced the first paragraph under 'Lifetime repair guarantee' with: We will guarantee the workmanship and materials on all repairs authorised by us, for the life of your car.

The claims process (page 52-53)

The wording under the heading 'What we will do' on page 52 of the PDS is deleted and replaced with:

When you make a claim we will handle your claim in a fair, transparent and timely manner. If we have accepted your claim, this means that:

If your car has been damaged:

- We will choose to settle your claim through any of these ways:
 - o we can arrange for one of our partner repairers to repair your car or you can choose your own repairer
 - o we can choose to pay you the reasonable cost to repair your car.
- We determine the reasonable cost to repair the damage by looking at a range of factors which may include:
 - o quotes from your nominated repairer and other repairers
 - o reports from our assessors.
- If you choose a repairer that is not a partner repairer, then we may choose to settle your claim by paying you the reasonable cost to repair your car rather than authorising repairs to it.
- We may pay your claim as a total loss if we consider your vehicle to be a total loss or when we choose to do so.
- If we ask you, you must:
 - o let us or our representatives inspect your car at any time at a place we choose
 - o allow us to get quotations from any repairer or supplier

If we need to move your car to do this, we will pay for it.

- If we agree to repair your car then we will use parts suitable for your car's age and condition, as follows:
 - o in most circumstances new Original Equipment Manufacturer (OEM) approved parts will be used if your car is under 3 years old,
 - o new and/or reusable non-mechanical or reconditioned OEM parts may be used in the following circumstances:
 - your car is over 3 years old; and
 - it does not affect the safety or the structural integrity of your car; and
 - it complies with the applicable Australian Design Rules and the car manufacturer's specifications
 - o for windscreens, we use parts which are compliant with Australian Design Rules.
- Your car will be repaired to the condition it was in immediately before the insured event or, if that is not reasonably possible, to substantially the same condition.
- We will provide a Lifetime Repair Guarantee on repairs authorised by us. (Refer pages 26-27).
- If any part for your car is unavailable in Australia, our liability for the cost of freighting that part to Australia will be limited to that arising from sea transportation only.
- We will not pay an international air freight charge or an amount exceeding the manufacturer's list price for any part, unless the charge or amount is incurred with our prior consent.
- If a repairer needs to engage the services of a specific specialist repairer and/or supplier that repairer must obtain our authorisation to subcontract some of the repair work to such specialist repairer or supplier.
- If the repair of your car leaves it in a better position than it was before the insured event, you might have to contribute to the cost of repairing or replacing items such as tyres, engines, additional accessories, paintwork, bodywork, batteries or interiors affected by wear and tear or rust and corrosion. How much you pay depends upon our assessment of how worn these items were when the damage occurred.
- We are a signatory to the Motor Vehicle Insurance and Repair Industry Code of Conduct. The voluntary Code is intended to promote transparent, informed, effective and co-operative relationships between smash repairers and insurers based on mutual respect and communication.

For further information about the Code visit the website www.abrcode.com.au.

- We will handle any complaint about the quality or timeliness of the work or conduct of the repairer under "Complaints" contained within the "Important Information" section of the PDS.

Duty of Disclosure

Your duty of disclosure for a new policy

The *Insurance Contracts Act 1984 (Cth)* requires that any information that we seek must be collected by a specific question.

When answering our questions, you must be honest and you have a duty under the *Insurance Contracts Act 1984 (Cth)* to tell us anything known to you, and which a reasonable person in the circumstances, would include in answer to the question. We will use the answers in deciding whether to insure you and anyone else to be insured under the policy and on what terms. It is important that you understand you are answering our questions in this way for yourself and anyone else that you want to be covered by the policy.

Your duty of disclosure before you renew, extend, vary or reinstate your policy

You have a duty, under the *Insurance Contracts Act 1984 (Cth)*, to disclose to us every matter that you know, or could reasonably be expected to know, is relevant to our decision whether to accept the risk of the insurance and, if so, on what terms.

Your duty however does not require disclosure of a matter:

- that diminishes the risk to be undertaken by us,
- that is of common knowledge,
- that we know or, in the ordinary course of our business, ought to know,
- where compliance with your duty is waived by us.

When answering any questions, you must be honest.

We will use the information you disclose in deciding whether to insure you and anyone else to be insured under the policy, and on what terms.

Consequence of non-disclosure

If you fail to comply with your duty of disclosure for a new policy, or before you renew, extend, vary or reinstate your policy, we may be entitled to reduce our liability under the policy in respect of a claim or we may cancel your policy. If your non-disclosure is fraudulent, we may also have the option of avoiding the policy from its commencement.

Complaints

To access our Complaints Handling Procedures, contact the Coles Insurance Contact Centre on 1300 265 374. If you have a complaint, we will do everything possible to resolve the matter on your initial contact with us.

You should first contact the person who made the decision, requesting a resolution and then he or she then has one business day to resolve it. If that person cannot resolve the dispute he or she must refer it to a manager who has a further five business days to resolve the matter. If the manager cannot resolve the matter you may ask him or her to refer it to an internal dispute resolution (IDR) officer who will provide you with a determination within 15 business days.

Details of our IDR procedures are set out in our IDR brochure and in our 'Privacy' policy. You can contact us or go to our website www.coles.com.au/insurance to obtain a copy of these documents.

If we are unable to resolve your complaint through our IDR processes you may take your complaint to the Financial Ombudsman Service Limited (FOS) which is an independent external dispute resolution service approved by the Australian Securities and Investments Commission free of charge to you. We are bound by the FOS' determinations provided they fall within the FOS' jurisdiction, but you are not so bound. You have two years from our final decision letter to apply to the FOS. Terrorism Insurance Act 2003 (Cth)

This policy excludes cover for losses as a result of an act of terrorism.

In the event that damage to property occurs and the cause of the damage is declared a terrorist incident by the responsible Minister, then you may be afforded protection within the time limits of indemnity of this policy by virtue of the *Terrorism Insurance Act 2003 (Cth)*. The operation of this Act may also serve to reduce the settlement of your loss to a percentage of the otherwise recoverable loss. In the event that the settlement is reduced then this will be at the direction of the Minister.

- where you live,
- where your car is kept overnight,
- how frequently you use your car, and the distance you travel,
- any security device or anti-theft devices fitted to your car,
- the age, gender and driving history of all drivers,
- your insurance and claims history,
- whether you will use your car for private or business purposes (refer page 40),
- any No Claim Discount you may be entitled to (refer page 42),
- any finance arrangement affecting your car, and
- any other relevant factors.

The choices that you make in selecting your options will also affect your premium. These include:

- your option to insure your car for an agreed value or market value (refer page 40),
- any Optional Benefits that you have chosen (refer page 34),
- the level of excess you have chosen (refer pages 41-42),
- whether you have excluded cover for drivers under the age of 25 (refer page 38), and
- whether you have chosen to pay your premium in instalments (refer page 46).

We also calculate and include compulsory government charges such as GST, Stamp Duty, Fire and Emergency Services Levy (NSW).

We show the sum of the premium and government charges as the premium on your schedule.

Your excess

You may need to pay an excess. An excess is the amount you pay towards the cost of a claim. You may need to pay more than one excess when you make a claim. The excesses that apply to your policy will be shown on your schedule.

You can reduce the amount of your premium by selecting an additional, voluntary excess.

Excesses are explained in more detail on pages 41-42. The excess will appear on your schedule and if you are dissatisfied with it you may exercise your right to cancel the policy during the 30 day cooling off period commencing from the date of the policy is issued provided you have not made a claim.

Restricted drivers

You can reduce your premium if you choose to restrict cover under your policy to drivers 25 years of age or older. If you choose to do so, this restriction will be shown on your schedule. Your policy will then be subject to the exclusion shown on page 38.

You must decide

If you choose to buy this insurance cover and we agree to accept the risk, you need to make a decision about the insurance cover that you want. Please read this document in full, to understand the cover – especially the options that you have to choose from and the limitations and exclusions that apply. If there is anything you don't understand, please contact us.

It is important that you decide whether this insurance is right for you. Any advice which we might provide is general advice only and does not take into account your personal circumstances. You should read the details on policy cover, benefits and options contained in this PDS in full before proceeding further.

Answering our questions

When answering our questions, you must answer for yourself and for any other person who will be insured under this policy. You must tell us about everyone who will drive your car on a regular basis. You must also give us complete and accurate information to allow us to decide whether to insure you and the terms on which we will insure you. We rely on the information you have provided to determine whether to insure you and if so on what terms and premium. If you do not provide us with accurate information, we may be entitled to reduce or deny any claim that you make, or even to cancel your policy.

Claim payment examples

The following examples are designed to illustrate how a claim payment might typically be calculated. The examples do not cover all scenarios or all benefits and do not form a part of the policy terms and conditions. They are a guide only. The excesses applicable to your policy may vary from those set out below. You should check your schedule for the precise amount of the excesses and not rely on the amount of the excesses set out in the examples below:

Example: Repairing Your Vehicle

A car that is insured for a sum insured of \$50,000 is damaged in an accident covered by the policy. The standard excess is \$600 and the Age excess is \$1,200. We assess the cost of repair to be \$4,000 inclusive of GST. You let us choose the repairer and you are not registered for GST.

How much we will pay: We pay the \$2,200 of the repair cost.

Explanation: The repair cost is \$4,000 and when the policy excesses totalling \$1,800 are applied \$2,200 is left compromising our liability.

You pay \$1,800 (the standard excess is \$600 and the age excess is \$1,200 totalling \$1,800). The excess is the amount of any claim which you must bear. The total amount paid is \$4,000. This comprises our liability of \$2,200 and your liability of \$1,800.

Example: Your car and trailer are a total loss

Your car is insured for market value. Your car and a trailer you own which is attached to your car are damaged in a collision which is covered by the policy. The claim is subject to the standard excess of \$600 and the inexperienced driver excess of \$1,200. We determine the market value of your car is \$25,000 and the market value of your trailer is \$1,500. The salvage value of your car is \$4,000, its unexpired registration is worth \$500 and the trailer has no salvage value. You have paid us the full amount of the premium and you are not registered for GST.

How much we will pay: The amount payable by us for the car is \$23,200.

Explanation: The market value of the car is \$25,000 and the excesses total \$1,800 so the net amount payable is \$23,200.

We retain the salvage and the unexpired portion of the registration (this comprises part of the value of the car and we have paid you for that market value).

We will pay you \$1,000 for the trailer (the policy has a limit of \$1,000 for trailers and so no payment can be made for the trailer beyond this sum. If only the trailer had been damaged nothing would have been payable due to the operation of the policy excesses).

Example: Your liability to a third-party

Your policy carries a \$600 standard excess and a voluntary excess of \$1,050. There is an accident for which you are at fault and damage to the other party's car amounting to \$10,000. The other party suffers bodily injury quantified at \$20,000.

How much we will pay: For damage to the third party's car we will pay \$8,350 and you will pay \$1,650.

Explanation: The damage to the car amounts to \$10,000. As your combined policy excesses amount to \$1,650 you must pay this amount. We are responsible for the balance of \$8,350.

For damage to the third party's car we will pay \$8,350 and you will pay \$1,650 (the damage to the car amounts to \$10,000. As your combined policy excesses amount to \$1,650 you must pay this amount. We are responsible for the balance of \$8,350).

We will not pay anything for the personal injury sustained by the third party. (This policy provides no cover for death or personal injury. The claim for personal injury should be referred to your compulsory third party motor insurer.)

OUR AGREEMENT WITH YOU

If you pay the premium as set out on the schedule, we will insure your car, in accordance with the terms and conditions in this document, for the period of insurance set out in your schedule.

When you buy this insurance, we give you this combined Product Disclosure Statement and Insurance Policy booklet. This booklet, together with your schedule and the information you provided to us when you bought this insurance, form the contract of insurance between you and us.

You should keep this booklet and your schedule in a safe place because you may need to refer to them from time to time.

Updating our Product Disclosure Statement

We may need to update this PDS from time to time. We will issue you with a new PDS or a supplementary PDS to update the relevant information, except in limited cases. Where the information is not something that would be materially adverse from the point of view of a reasonable person considering whether to buy this insurance, we may provide you with notice of this information in other forms or keep an internal record of such changes (you can get a paper copy free of charge by calling us).

YOUR COVER

If you choose to buy this insurance cover, and we agree to accept the risk, this policy provides insurance cover for your car.

Any additional accessories or modifications to the vehicle will not be covered unless you have told us about them and we have agreed to cover them. If we do so agree, this will be shown on your schedule.

Depending on your choice your schedule will also show:

- any Optional Benefits you have chosen (refer to pages 34),
- whether you have insured your car for agreed value or market value (refer to page 40),
- what the sum insured is, if you have chosen to insure your car for an agreed value,
- the class of use you have told us of (refer to page 40),
- the details of your car,
- your No Claim Discount level (refer to page 42),
- any Voluntary excess level you have chosen, and any other excess(es) which may apply (refer to pages 41-42),
- whether you have chosen to restrict cover to drivers 25 years of age or older, and
- any other additional terms and conditions which apply to your policy.

This policy does not cover loss, liability, damage, cost or expense directly or indirectly caused by, contributed to by, resulting from, or arising out of or in connection with any act of terrorism regardless of any other cause or event contributing concurrently or in any other sequence to the loss. The policy also excludes loss, liability, damage, cost or expense directly or indirectly caused by, contributed to by, resulting from, or arising out of or in connection with any action in controlling, preventing, suppressing, retaliating against, or responding to any act of terrorism.

We do not cover your car while being used in an unsafe or un-roadworthy condition and that condition caused or contributed to the loss – unless you could not have reasonably detected the unsafe or un-roadworthy condition.

Unsecured load

We do not cover your car being used to tow or convey a load which is not secured according to law.

Vehicles running on rails or not on terra firma

We do not cover any vehicle whilst running on rails other than as cargo or any vehicle not running solely on terra firma.

Other information about your cover

Vehicle Usage

You may choose to insure your car for either private purposes or business purposes. Your car will be insured for business purposes if we have asked you about its business use and we have agreed to cover your car for business purposes. The class of use you have chosen will be shown on your schedule.

Agreed or Market value

You can choose to insure your car for:

- an agreed value and we will pay up to the sum insured on your schedule, or
- the market value and we will pay up to an amount we assess your car to be worth immediately before it was damaged or stolen.

The basis of valuation you have chosen will be shown on your schedule.

Excesses

The policy includes excesses. An excess is the amount we deduct from your claim settlement and is payable by you. For details on when you need to pay your excess, please refer to page 15.

A Standard excess applies to your policy. You may choose an additional Voluntary excess. This will reduce your premium.

In addition, we may apply an Age, Inexperienced driver, Unlisted driver or Special excess, depending on the circumstances. We show the excesses that apply to your policy and the amount of each excess on your schedule.

For details on when your excess is to be paid, please refer to page 55.

The excesses are:

Standard excess

The Standard excess applies when we accept a claim from you – unless this is the first time you have claimed for a damaged windscreen, sunroof or window glass during the currency of this policy.

Voluntary excess

You may choose to pay an additional excess amount. This Voluntary excess will reduce your premium.

The Voluntary excess applies in addition to the Standard excess when we accept a claim from you – unless this is the first claim for a damaged windscreen, sunroof or window glass.

Age excess

The Age excess applies when the driver of your car is:

- under 21 years of age, or
- 21 to 24 years of age,

at the time of the collision or loss.

The Age excess is in addition to the other excesses (except the Inexperienced driver excess) when we accept your claim.

Inexperienced driver excess

The Inexperienced driver excess applies when the driver of your car is 25 years or older and has not held an Australian drivers licence for more than two years at the time of the collision.

This excess does not apply to claims involving theft, malicious damage, a broken windscreen or damage to your car while it is parked.

The Inexperienced driver excess is in addition to the other excesses (except the Age excess) when we accept your claim.

Unlisted driver excess

An Unlisted driver excess will apply where a driver under 25 years of age is the driver of your car and is not a listed driver on your policy.

This excess does not apply to claims involving theft, malicious damage, a broken windscreen or damage to your car while it is parked.

The Unlisted driver excess is in addition to the other excesses when we accept your claim.

Special excess

We may apply a Special excess, based on the driving record and insurance history of the drivers of your car. We will tell you if we do by showing it on your schedule. The Special excess is in addition to the other excesses when we accept your claim.

Meaning of driver

The word 'driver' for the purposes of the age excess, inexperienced driver excess, unlisted driver excess and special excess means both the driver of your car and any person being trained to drive who is operating the controls of your car. This definition prevails over the definition on page 56 for the purpose of the above mentioned excesses.

No Claim Discount

We offer a No Claim Discount to drivers with a good insurance record. We will apply a discount off your premium if you have a No Claim Discount rating shown on your schedule.

For each year you do not have an at-fault claim, your No Claim Discount increases by a percentage and keeps increasing until it reaches the Maximum discount level.

Maximum No Claim Discount

If you have held a No Claim Discount at the Maximum level with us for two years and you do not make a claim in which you are at fault, you qualify for a Maximum No Claim Discount for life, with us, at no extra cost. You can also choose to protect your Maximum No Claim Discount during the 2 year qualifying period by paying the additional premium required for this Optional Benefit (refer page 34). This is called a Protected No Claim Discount.

If you are eligible for a Maximum No Claim Discount for life, it will be shown on your schedule.

On renewal

If you have not submitted an at-fault claim during an expiring period of insurance, your No Claim Discount will increase by a percentage at each renewal date until it reaches the Maximum discount level.

If we have accepted your claim for loss or damage incurred during the expiring period of insurance, we will not reduce your No Claim Discount on renewal if:

- the collision involved another vehicle and we agree the driver of your car was not at fault, and you can give us the registration details of the other vehicle and the name and address of the driver,
- this is your first claim for a broken windscreen, sunroof or window glass (refer page 32),
- your claim is for malicious damage,
- the loss or damage was no one's fault,
- you have qualified for a Maximum No Claim Discount for life, with us, or
- you have paid an additional premium to Protect your Maximum No Claim Discount (refer page 34).

If you claim

For each at-fault claim that we accept from you, your No Claim Discount will reduce by a percentage when your policy is renewed, unless your No Claim Discount has been Protected.

When you submit a claim, we may ask you to prove your entitlement to your No Claim Discount at the time you first took out a policy with us.

Things you need to tell us

Notify us of changes

You must notify us as soon as possible if:

- you change your car covered by this policy,
- you transfer your interest in your car covered by this policy,
- any driver has had his or her licence cancelled, suspended, disqualified or any special terms or conditions are imposed on them,
- any driver of your car is fined, charged or convicted of any alcohol or drug related driving offences,
- any collisions occur which involve you or any person who regularly drives your car,
- you or any person who regularly drives your car is charged or convicted of any criminal offence, or
- you add any additional accessories to your car or make any conversion, alteration or modification of your car from its maker's specifications.

We may require you to provide this information in writing.

If you change your insurance details and we agree to the changes, we will confirm our agreement by issuing you a new schedule. You must pay us any additional premium if required.

Things you need to do

Pay your premium

You must ensure that your premium is paid when it is due. For details on your payment options, please refer to page 46.

If you set up a recurring payment, such as a direct debit, it is important to let us know if your bank or credit card details change.

Maintain and protect your car

You must take all reasonable steps to protect your car from loss and damage and comply with all legal requirements regarding the safety, maintenance and operation of your car.

Keep records

You must keep records as evidence of ownership or proof of the value of: your car, child seats or baby capsules, groceries, emergency repairs, emergency accommodation and costs to complete your journey. This includes contracts of sale, receipts, credit card and bank statements or photographs. Without this evidence, we may reduce or refuse to pay your claim.

Other drivers

When allowing anyone else to drive your car, it is your responsibility to ensure that:

- they are not affected by any drug, alcohol or medication,
- they are licensed to drive your car under all relevant laws, by-laws or regulations,
- they are 25 years of age or older if you have chosen to restrict cover under your policy to drivers 25 years of age or older, and
- they are made aware of the terms and conditions of your policy, especially the exclusions referred to on pages 35-40.

Things you should know

Dangerous goods

If you carry any hazardous goods or substances in your car you must comply with all relevant laws, by-laws and statutory regulations. If you do not do these things and it prejudices our interests, we will reduce any benefit under this policy by the amount that represents the extent to which our interest has been prejudiced.

Exclusions

There are a number of General Exclusions which apply to this insurance cover. These are set out on pages 35-40.

Changing your policy

We will advise you immediately in writing of an agreed change to your policy at any time during the period of insurance.

Joint policyholders

If more than one person takes out this insurance, the names of each will be shown on your schedule. Each such person has authority to make changes to this policy, including removing the name of the other, or to cancel the policy.

Interested parties

We only cover your interest in your car unless we specifically agree to cover the interest of another party, such as a financier or any other owners which you have told us about. If we agree to cover the interest of another party the details will be noted on your schedule and in the absence of such a note there will be no cover for that other party. If a financier is noted on your schedule as an interested party, and we agree to settle your claim on a cash basis, we have the option of paying the financier in full or part settlement and discharge of your claim.

Notices

When we send you any written notice, it will take effect when it is delivered to your last postal address known to us in accordance with the *Insurance Contracts Act 1984 (Cth)*.

Towing

If your car is being towed for any reason, and you are not employing a specialist towing company, you must ensure that the towing vehicle meets the requirements of the State or Territory registration towing limits and specifications for the trailer and that your car is securely and safely attached to the trailer.

Things we need to tell you

Your premium

How you can pay your premium

You can pay your premium:

- annually, in one amount using cheque, credit card, BPay or direct debit, or
- in monthly instalments by direct debit or credit card.

If you pay one annual premium, the total premium will be lower than if you pay your premium in instalments.

Monthly direct debit payments

When you provide us with bank or credit card details to debit your instalment, you must ensure that you have the authority to use the nominated account. It is also your responsibility to ensure that sufficient funds are in the nominated account to meet each instalment.

If the instalment collection date falls on a non-business day, we will debit your bank account or credit card on the following business day. If there are insufficient funds, we will resubmit the debit within 15 days unless you request us to do so sooner or advise us of an alternate bank account or credit card to debit.

Unpaid premium

If you have chosen to pay your premium annually, your policy will not operate until you have paid your premium.

If you have chosen to pay your premium in instalments, and any instalment is not paid:

- we will not accept your claim if your instalment is more than 14 days overdue, and
- we may cancel the policy if your instalment is more than one month in arrears.

Cancelling

If you cancel your policy

You may cancel your policy at any time by writing to us. If you do, cancellation will take effect when we receive your request or from any later date that you tell us.

If we cancel your policy

We may only cancel your policy where we are entitled to do so by law and in particular under the *Insurance Contracts Act 1984 (Cth)*, including if you:

- failed to answer our questions truthfully and accurately,
- made a misrepresentation to us before the policy was issued,
- made a fraudulent claim,
- failed to pay your premium, or
- failed to comply with the terms and conditions of this policy.

If you have chosen to pay your premiums by instalments we may cancel your policy if any instalment which is due and payable remains unpaid for more than one month.

Return premium

If your policy is cancelled and you have paid an annual premium, we will return any premium you have paid for the period after the cancellation date, less any non-refundable government taxes and charges. A cancellation fee of \$30 may apply unless we advise differently.

If your policy is cancelled and you are paying your premium in monthly instalments, there will be no return of any part of an instalment you have paid. This will be retained as a cancellation fee. All instalments due after the date of cancellation will cease.

During the cooling off period

If you cancel your insurance during the 30 day cooling off period, we will cancel your policy from the start date and refund your premium, unless you have made a claim.

Renewing

We may automatically renew your cover by sending you a renewal notice at least 14 days before your policy expires. The renewal notice will show the terms and conditions, the period of insurance, any proposed alterations to your policy and the premium payable.

Unless we hear from you, following the renewal notice your payments will continue in accordance with the payment option you selected when you first took out this insurance.

We may require you to pay an additional premium if you notify us of a claim that happened in the period between the time we calculate the renewal premium and the expiring period of insurance. The additional premium we require will be based on your revised claims history and any change in your No Claim Discount. The additional premium will not exceed the amount we would have requested had you notified us of your claim earlier.

GST

All the benefits listed in this policy include GST. Any claim settlements, up to the sum insured, will include GST. However, the amount we are liable to pay will be reduced by any input tax credit you are entitled to (if you are entitled to an input tax credit, you must tell us the extent of your entitlement).

CLAIMS

Having your car stolen or damaged is stressful. Our claims team is there to support you by guiding you through the claims process. If you do the following things we will be able to handle your claim as quickly as possible.

What to do in the event of a claim

At an accident scene

What to do	What not to do
Stop if anyone is injured or any other vehicle or property is damaged.	You must not drive away or leave the scene of the accident.
Call the police if: <ul style="list-style-type: none"> • there are injuries, • any property other than a vehicle has been damaged, • any drugs, medication or alcohol is involved, or • a vehicle needs to be towed from the accident scene. Keep a record of the police incident or report number.	
Take down the following details: <ul style="list-style-type: none"> • the registration numbers of all vehicles involved, • the other driver's licence number and insurance company, and • full name, address and telephone number of everyone involved in the accident, including any witnesses. 	Do not make a promise or offer to pay anyone for anything or admit that you are, or may have been, at fault.
Do everything you can to stop further loss or damage from happening. If your car cannot be driven, or it is unsafe to drive it, arrange for it to be towed to the nearest place of safety.	Do not arrange or authorise any repairs, except if necessary to minimise or prevent further loss or damage. The most we will reimburse you for emergency repairs is \$500 during any one period of insurance.
Take note of the date, time, weather and road conditions.	

At the scene of a crime

If your car has been stolen, or an attempt has been made to steal your car, or if there is malicious damage to your car, call the police. Keep a record of the police incident or report number, as well as the name of the police officer attending, the police station the incident is reported to and the date it is reported.

If your car is fitted with a remote tracking security device and is stolen, report the theft to your tracking bureau immediately.

How to claim

Let us know as soon as possible about any claim you might want to make, or if someone has indicated they hold you responsible for an accident or damage. We can help you and let you know what you should do.

What to do	What not to do
Telephone us on 1300 265 374 as soon as possible.	Do not delay in telephoning us as it could disadvantage you.
Tell us if someone is holding you responsible for the accident or if you have received any demands, correspondence or documents related to it and provide us with that correspondence or documents related to it.	Do not make a promise or offer to pay anyone for anything or admit that you are, or may have been, at fault. Do not delay in sending us any documents you might receive.
Keep any damaged property in case we need to inspect it.	Do not arrange any replacements or authorise any repairs. Do not dispose of any property until we tell you that you can.

The claims process

What you must do to help us manage your claim

- Tell us if you think you have a claim as soon as possible. This is especially important:
 - so that you are not disadvantaged by not complying with your obligations, and
 - if you want to claim under your cover for the cost of emergency accommodation or costs to complete your journey.
- Tell us everything about the loss or damage so that we can assess your claim. Also tell us about the people involved and anyone you believe was at fault.
- Allow us or our representative to ask questions or conduct interviews. Provide us with written statements under oath, if we require you to do so.
- Provide valuations, receipts or other proof of ownership, if we request you to.
- Pay your excess (if applicable) when we tell you to (refer to page 55 for details on when to pay your excess).
- Tell us if there is any other insurance on your car, trailer, caravan, property or any items covered by this policy.
- Advise us of any communication you receive in connection with the claim, and of any court proceedings.
- Tell us about any input tax credits or other amounts you are entitled to, if you are registered for GST.
- Allow us to inspect your damaged car, trailer, caravan, property or items, including giving us permission to tow your car to a place or repairer nominated by us.
- Allow us to take possession of your damaged car, trailer, caravan, property or items involved in the claim.
- Cooperate with us as we negotiate, defend or settle your claim and as we exercise your legal right of recovery against any other party. This might include giving evidence in court.
- Pay to any financier the difference between our claim settlement amount (if we treat your car as a total loss) and the outstanding amount of your instalment plan, sale or leasing agreement.

What we will do

When you make a claim we will handle your claim in a fair, transparent and timely manner. If we have accepted your claim, this means that:

If your car has been damaged:

- We have established a National Partnered Repair Network. Members of this repairer network must meet our stringent acceptance criteria which requires a high standard of repair and service.
- When you use one of our partnered repairers you do not need to shop around for quotes and we will guarantee the quality of the workmanship and materials used in the repair.
- You may choose your own repairer, but if you do, we may require you to provide an alternative quote from a repairer of our choice for the repair of your car.
- If your car is at your chosen repairer and we want to obtain an alternative quote for repairs, we may arrange to move your car to another repairer at our expense.
- Our authorised assessor will review the quotes and the work necessary to properly repair your car. We will choose the repairer who has submitted the most competitive and complete quote.
- The most we will pay is the cost of repairs as determined by our authorised assessor, or quoted by our authorised repairer for comparable repairs. We may sublet part of the repairs to another repairer.
- We will arrange for your car to be repaired and advise once it is ready for collection. We will provide a Lifetime Repair Guarantee on repairs carried out by our authorised repairers. (Refer pages 26-27) Your car will be repaired to the condition it was in immediately before the insured event or, if that is not reasonably possible, to substantially the same condition.
- If we agree to repair your car then we will use parts suitable for your car's age and condition, as follows:
 - in most circumstances new Original Equipment Manufacture (OEM) approved parts will be used if your car is under 3 years old,
 - new and/or reusable non-mechanical or reconditioned OEM parts may be used in the following circumstances:
 - your car is over 3 years old; and
 - it does not affect the safety or the structural integrity of your car; and

- it complies with the applicable Australian Design Rules and the car manufacturer's specifications.
- for windscreens, we use parts which are compliant with Australian Design Rules.

- If we have paid or agreed to pay a claim under this policy and any part for your car is unavailable in Australia, our liability for the cost of freighting that part to Australia will be limited to that arising from sea transportation only.
- We will not pay an international air freight charge or an amount exceeding the manufacturer's list price for any part, unless the charge or amount is incurred with our prior consent.
- If the authorised repairer needs to engage the services of a specific specialist repairer and/or supplier that repairer may sublet some of the repair work to such specialist repairer or supplier.
- If the repair of your car leaves it in a better position than it was before the insured event, you might have to contribute to the cost of repairing or replacing items such as tyres, engines, additional accessories, paintwork, bodywork, batteries or interiors affected by wear and tear or rust and corrosion. How much you pay depends upon our assessment of how worn these items were when the damage occurred.
- If we decide that the cost of repairs to your car is more than the sum insured less any amount we can obtain from the salvage of your car, we will declare it a total loss.
- We are a signatory to the Motor Vehicle Insurance and Repair Industry Code of Conduct. The voluntary Code is intended to promote transparent, informed, effective and co-operative relationships between smash repairers and insurers based on mutual respect and communication. For further information about the Code visit the website www.abrcode.com.au.
- We will handle any complaint about the quality or timeliness of the work or conduct of the repairer under "Complaints" contained within the "Important Information" section of the PDS.

If your car has been stolen:

- If your car has been found within 14 days of the theft, and it is damaged, we will follow the procedure for damaged vehicles, as set out above.
- If your car has not been found after 14 days of the theft, we will declare it a total loss if we have accepted your claim.

If your car is a total loss:

We will:

- o replace it with a new car, if you qualify for this benefit (refer page 28), or
 - o pay you the sum insured less any excesses that may apply, or
 - o if your car is subject to an instalment plan, or a sale or leasing agreement, we will pay the sum insured, less any excesses which may apply, to the financier (if the claim payment does not settle the amount owing to the financier, you must pay the difference or, if the claim payment exceeds the amount owing to the financier, we will pay the difference to you).
- We will retain your damaged car and keep the proceeds of any salvage sale. We will also retain the unexpired portion of the registration and Compulsory Third Party insurance. If you prefer to keep your damaged car, we will determine the salvage value including the unexpired portion of the registration and Compulsory Third Party insurance and deduct this amount from our payment to you.
 - Your insurance cover will cease as soon as we accept liability. Because we will have met our obligation to you in full:
 - o if you have paid an annual premium, we will not return any premium you have paid for the period after the date of insured event, or
 - o if you are paying your premium in monthly instalments, there will be no return of any part of an instalment you have paid and we will deduct any remaining instalments from the amount we pay.

You will need to take out new insurance cover for your replacement car.

For all claims:

- When we settle your claim, we will reduce the amount we pay by the amount of the excesses shown on your schedule. The different excesses that may apply to your insurance are explained on pages 41-42. However, we will not deduct any excess if you can satisfy us that the collision was the fault of someone else and you have given us the name and address of that person and the registration details of the other vehicle, or your claim is for malicious damage, or the loss or damage was no one's fault.
- We will decide whether or not the driver of your car is at fault by contributing to the cause of the insured event.
- For each at-fault claim that we accept from you in which you were at fault, we will reduce your No Claim Discount by a percentage when your policy is renewed, unless your No Claim Discount has been protected.

- The amount that we pay will be based on GST inclusive costs. However, if you are, or would be, entitled to claim any input tax credits for the repair or replacement of your car, we will reduce any claim under the insurance by the amount of the input tax credits.
- The maximum amount that we will pay is the sum insured.
- We may exercise our legal rights to act on your behalf to conduct, defend or settle any recovery action from other people. If we recover more than the claim settlement amount plus any costs we have incurred in the recovery action, we will pay you the balance.
- If you are held at fault, and we agree, we will conduct, defend or settle any action brought by other people.
- We will pay the legal costs associated with defending any claim against you, if we have told you so in writing and we have appointed the solicitors who will defend the claim.
- If you withdraw your claim, or we refuse to accept it, you may have to refund to us any of our costs incurred in processing your claim, or payments we have already made to you, including any payments made for rental car costs.

Your excess

Will you have to pay an excess?

You do not need to pay an excess if:

- we agree that a collision was not your fault and you can give us the name and address of the person who was at fault and the registration number of their vehicle,
- any damage to your car was not caused by another vehicle and we agree that you are not at fault and you can give us the name and address of the person who is, or
- your claim is for a first broken windscreen, sunroof or window glass.

You will need to pay an excess in all other situations as we will not be able to recover the costs of the loss or damage to your car.

When to pay your excess:

If you do need to pay an excess, we may at our discretion:

- require you to pay it to the repairer when you collect your car,
- deduct it from any amount we pay to you, or
- request you to pay it at any other time.
