Duty of Disclosure

Your duty of disclosure for a new policy

The *Insurance Contracts Act 1984 (Cth)* requires that any information that we seek must be collected by a specific question.

When answering our questions, you must be honest and you have a duty under the *Insurance Contracts Act 1984 (Cth)* to tell us anything known to you, and which a reasonable person in the circumstances, would include in answer to the question. We will use the answers in deciding whether to insure you and anyone else to be insured under the policy and on what terms. It is important that you understand you are answering our questions in this way for yourself and anyone else that you want to be covered by the policy.

Your duty of disclosure before you renew, extend, vary or reinstate your policy

You have a duty, under the *Insurance Contracts Act 1984 (Cth)*, to disclose to us every matter that you know, or could reasonably be expected to know, is relevant to our decision whether to accept the risk of the insurance and, if so, on what terms.

Your duty however does not require disclosure of a matter:

- that diminishes the risk to be undertaken by us,
- that is of common knowledge,
- that we know or, in the ordinary course of our business, ought to know,
- where compliance with your duty is waived by us.

When answering any questions, you must be honest.

We will use the information you disclose in deciding whether to insure you and anyone else to be insured under the policy, and on what terms.

Consequence of non-disclosure

If you fail to comply with your duty of disclosure for a new policy, or before you renew, extend, vary or reinstate your policy, we may be entitled to reduce our liability under the policy in respect of a claim or we may cancel your policy. If your non-disclosure is fraudulent, we may also have the option of avoiding the policy from its commencement.

Complaints

To access our Complaints Handling Procedures, contact the Coles Insurance Contact Centre on 1300 265 374. If you have a complaint, we will do everything possible to resolve the matter on your initial contact with us.

You should first contact the person who made the decision, requesting a resolution and then he or she then has one business day to resolve it. If that person cannot resolve the dispute he or she must refer it to a manager who has a further five business days to resolve the matter. If the manager cannot resolve the matter you may ask him or her to refer it to an internal dispute resolution (IDR) officer who will provide you with a determination within 15 business days.

Details of our IDR procedures are set out in our IDR brochure and in our 'Privacy' policy. You can contact us or go to our website www.coles.com.au/insurance to obtain a copy of these documents.

If we are unable to resolve your complaint through our IDR processes you may take your complaint to the Financial Ombudsman Service Limited (FOS) which is an independent external dispute resolution service approved by the Australian Securities and Investments Commission free of charge to you. We are bound by the FOS' determinations provided they fall within the FOS' jurisdiction, but you are not so bound. You

have two years from our final decision letter to apply to the FOS. You may access the FOS' services by contacting them at:

Cooling off

Even after you decide to buy this insurance, you have 30 days from the date cover commences to change your mind and let us know that you want to cancel the policy. We will refund the premium you have paid less any government charges or taxes we are unable to recover, provided you have not made a claim under the policy.

Compensation Arrangement

The *Corporations Act 2001 (Cth)* requires licensees to have arrangements for compensating retail clients for losses they suffer as a result of a breach by the licensee or its representatives of Chapter 7 of this Act, unless an exemption applies. We are exempt from this requirement because we are an insurer supervised by the Australian Prudential Regulation Authority and subject to the prudential requirements of the *Insurance Act 1973 (Cth)*.

Financial Claims Scheme

This policy may be a 'protected policy' under the Federal Government's Financial Claims Scheme (FCS) and only applies in the event of an insurer becoming insolvent and the Federal Treasurer declaring that the FCS will apply to that insurer.

Payment of a claim under the FCS is subject to the Scheme's eligibility criteria being met. Information about the FCS can be obtained from the Australian Prudential Regulation Authority at www.apra.gov.au or by calling 1300 558 849.

Terrorism Insurance Act 2003 (Cth)

This policy excludes cover for losses as a result of an act of terrorism.

In the event that damage to property occurs and the cause of the damage is declared a terrorist incident by the responsible Minister, then you may be afforded protection within the time limits of indemnity of this policy by virtue of the *Terrorism Insurance Act 2003 (Cth)*. The operation of this Act may also serve to reduce the settlement of your loss to a percentage of the otherwise recoverable loss. In the event that the settlement is reduced then this will be at the direction of the Minister.

A more detailed explanation of the operation of the *Terrorism Insurance Act 2003 (Cth)* can be obtained at www.arpc.gov.au.

HOW THIS INSURANCE WORKS

This policy provides cover for your buildings or contents or both in Australia. These are explained on page 13. This approach gives you flexibility as you can arrange your insurance to meet your particular needs.

Before you choose, you need to understand the significant benefits of each of the cover types, when benefits will be provided to you, and how. To do this, please read this document to understand:

- the difference between the types of cover (page 13),
- the benefits of each type of cover (Buildings pages 36-43 and Contents pages 52-59),
- what is covered and what is not (pages 22-29),
- the optional benefits that you can choose from (Contents pages 60-63), and
- what will happen in the event of a claim (pages 72-77).

If you do buy this insurance, there are also a number of things which:

- you need to tell us (page 67),
- you need to do (page 67), and
- you should know (page 68).

It is important for you to know that we may refuse to pay, or may reduce the amount we pay, under a claim if you:

- do not comply with the terms and conditions of this policy,
- do not answer our questions truthfully and accurately, or
- make a fraudulent claim.

There are other things which we need to tell you. These are set out on page 69.

Where our words have a particular meaning, we have explained these words on pages 78-80. We have used capital letters to indicate sections of the document which contain relevant information, such as Types of Cover or General Exclusions. Contents Optional Benefits:

Cost of this Insurance

If you decide to buy this insurance, you will need to pay a premium. This can be paid in advance, for the period of insurance or monthly, in instalments (refer page 69). You may also need to pay an excess if you make a claim.

How we calculate the premium

We rely upon you to give us complete and accurate information about you, your home and its occupants and, if necessary, your contents when we calculate the premium. In calculating your premium, we consider:

- the sum insured you have chosen,
- where you live,
- the type of building in which you live,
- the age of your home,
- what the walls and roof are made of,
- the age of the policy holder,
- whether any part of your home is used for business purposes,
- whether the building is used as a holiday home, and
- your insurance and claims history.

For Buildings Plus cover we also consider:

- whether your home is a multistorey building.

For Contents Plus cover we also consider:

- the level of security of your home, and
- the storey level of your home if you live in a multistorey building.

The choices that you make in selecting your options will also affect your premium. These include:

- the type of cover you have chosen (refer page 13),
- any Optional Benefits that you have chosen (refer Contents pages 60-63),
- the level of excess you have chosen (refer page 17), and
- whether you have chosen to pay your premium in instalments (refer page 69).

The factors mentioned above do not cover all the factors we may take into account.

We also calculate and include compulsory government charges such as Goods and Services Tax (GST), Stamp Duty, Fire and Emergency Services Levy (NSW).

We show the sum of the premium and government charges as the premium on your schedule, which we will send to you within 5 business days of the purchase of your policy.

Your excess

You may need to pay an excess. An excess is the amount you must contribute towards each claim you make. The excesses apply to Buildings Plus, Contents Plus and Buildings and Contents Plus cover. The excesses that apply to your policy will be shown on your schedule.

If you have Buildings and Contents Plus cover, you may choose a different level of excess for your buildings and your contents. If you have a claim for both buildings and contents for the same Insured Event, we will calculate the excesses that apply to your buildings and your contents separately. You do not have to pay both excesses; you will only pay the higher of the two excesses.

We show the excesses that apply to your policy and the amount of each excess on your schedule.

For details on when your excess is to be paid, please refer to page 77.

The excesses are:

Standard excess

A Standard excess applies to your policy. The Standard excess applies when we accept a claim from you.

Voluntary excess

You may choose to pay an additional excess amount if we offer it to you. This Voluntary excess will reduce your premium. The Voluntary excess applies in addition to the Standard excess when we accept a claim from you.

Cover outside your home excess

This excess applies when you make a claim for Cover outside your home. If you pay the Cover outside your home excess, you do not have to pay the Standard excess or any Voluntary excess you may have chosen.

Household appliance cover excess

This excess applies when you make a claim for household appliance cover. If you have a claim for "Household appliance cover" under Buildings - Additional Benefits or Contents - Additional Benefits and also have a claim under your Buildings Plus cover, Contents Plus cover or Building and Contents Plus cover for the same Insured Event, you will only pay the highest of all the applicable excesses.

Special excess

We may apply a Special excess, based on your circumstances/situation and insurance history. We will tell you if we do by showing it on your schedule. The Special excess is in addition to the other excesses when we accept your claim.

BEFORE WE PROCEED

You must decide

If you choose to buy this insurance cover, and we agree to accept the risk, you need to make a few decisions about the insurance cover that you want. Please read this document in full, to understand the cover – especially the options that you have to choose from and the limitations and exclusions that apply. If there is anything you don't understand, please contact us.

It is important that you decide whether this insurance is right for you. Any advice which we might provide is general advice only and does not take into account your personal circumstances. You should read the details on policy cover, benefits and options contained in this document in full before proceeding further.

Answering our questions

When answering our questions, you must answer for yourself and for any other person who will be insured under this policy. You must tell us about everyone who will live in your home on a regular basis. You must also give us complete and accurate information to allow us to decide whether to insure you and

the terms on which we will insure you. If you do not do so, we may be entitled to reduce or deny any claim that you make, or even to cancel your policy.

OUR AGREEMENT WITH YOU

If you pay the premium as set out on the schedule by the due date, we will insure your buildings, contents or both, in accordance with the terms and conditions in this document, for the period of insurance as set out in your schedule.

When you buy this insurance, we give you this Product Disclosure Statement and Insurance Policy booklet. This booklet, together with your schedule and the information you provided to us when you bought this insurance, form the contract of insurance between you and us.

You should keep this booklet and your schedule in a safe place because you may need to refer to them from time to time.

Updating Our Product Disclosure Statement

From time to time, we will need to update this PDS. If the change results in a material change from the PDS you hold, we will send you another PDS or a supplementary PDS. You may request a copy of a PDS free of charge at any time by contacting us.

Claim payment examples

The following examples are designed to illustrate how a claim payment might typically be calculated and what amount you may be required to pay. The examples are for guidance purpose only, do not cover all scenarios or benefits, and do not form part of the policy terms and conditions.

The excesses applicable to your policy may vary from those set out in the examples below. You should check your schedule for the precise amount of the excesses and not rely on the amount of the excesses set out in the examples below.

Claim example - Loss or damage to buildings

The building has been insured for \$150,000. An excess of \$500 applies to your buildings cover. Vandals use spray cans and paint graffiti on the outside of your building. We assess the cost to remove the graffiti will be \$1,000 and we arrange for a repairer to attend your building and remove the graffiti. We will normally pay \$500 for the removal of the graffiti directly to the repairer and request you to pay the \$500 excess directly to the repairer.

Claim example - Loss or damage to contents

Your contents are insured for \$80,000. An excess of \$500 applies to your contents cover. A thief breaks into your home and steals a number of contents items. The theft is reported to the police. An assessor attends your property and establishes that the total value of items stolen is assessed to be \$10,000. We replace the stolen items less the applicable excess you are required to pay us (\$500).

The amount we pay for replacement contents: \$10,000

Less the Excess of \$500

Total claim payment: \$9,500.

Claim example - Loss or damage to contents outside your home under Unspecified portable contents cover

You have selected Unspecified portable contents cover with a sum insured of \$5,000. Whilst you are outside your home, someone steals your laptop computer worth \$3,000. We will pay up to \$2,500 for the laptop as the Unspecified portable contents cover is subject to a single item limit of 50% of the Unspecified portable contents sum insured (50% of \$5,000) less the applicable excess.

However, if someone steals your handbag which contained \$6,000 worth of the items listed on page 60 as covered under Unspecified portable contents cover then the most we pay is \$5,000 as this is the Unspecified portable contents sum insured less the applicable excess.

YOUR COVER

This policy provides insurance cover for your buildings, or contents or both.

Your schedule will indicate whether you have chosen insurance cover for your Buildings Plus or your Contents Plus or Buildings and Contents Plus combined. To understand the difference between the three Types of Cover, please refer to page 13.

For further details on Specified contents inside the home, please refer to page 48.

You may choose to insure some of your contents while they are away from your home. This is called Cover outside your home. An additional premium will be payable. If you have chosen Cover outside your home this will be shown separately on your schedule. For further details on Cover outside your home, please refer to pages 60-63.

Buildings – what we will and won't pay

If:

- your buildings are insured, and
- loss or damage to your buildings occurs as a result of an insured event, during the period of insurance, and
- we agree to accept your claim,

we will, at our option, choose whether to:

- repair or rebuild your buildings, or
- pay the reasonable cost of repairing or rebuilding your buildings.

We will pay up to the sum insured of your buildings, or any lesser limit that applies, less any applicable excess.

If we choose to repair or rebuild your buildings, we can nominate the builder, repairer or supplier.

If we choose to repair your buildings, we will:

- make reasonable attempts to match the materials used when your buildings were built or last renovated,
- only repair or rebuild that part of your buildings which has been damaged, and
- not pay to repair or replace undamaged materials or sections of your building in order to create a uniform effect throughout your home.

Where we are unable to match materials, we will use or pay for materials which we believe to be of a similar kind or quality.

- use new materials, and
- rebuild your buildings to the same size and standard.

If we choose to pay the reasonable cost of repairing or rebuilding your buildings, we may:

- pay your builder directly, or
- pay you.

If we pay you, we will pay the lesser of:

- the costs you actually incur, or
- the amount it would have cost us to repair or rebuild your buildings.

If you do not commence repair or replacement of your buildings within six months of the date the loss or damage occurred, we will not be liable for any costs which exceed the repair or rebuilding costs as at the date the loss or damage occurred.

If you decide not to proceed with the rebuilding or repair of your buildings we will pay the lesser of:

- the rebuilding or repair cost as at the date of loss or damage, or
- the difference in the value of your buildings and the site before the damage occurred and the value of your buildings and the site after the damage has been sustained.

If we accept your claim for loss or damage to a dividing fence, we will only pay half the cost of repairing the fence.

If your claim is for damage to fixed coverings on walls, floors and ceilings, we will only pay for repair or replacement in the room, hall or passage where the damaged occurred. In open plan homes we will pay only for the damaged part of such coverings in the functional area that we think is affected.

Things you need to tell us

Notify us of changes

You must notify us as soon as possible if:

- you change your home,
- your home will be unoccupied for more than 60 days,
- any change is made to your buildings or contents which we insure and which might affect the nature of the risk covered by this policy,
- you plan any building work, including any additions, renovations, alterations or modifications,
- you need to increase the sum insured of your buildings or your contents,
- you need to add any Specified contents inside the home (refer page 48) or Cover outside your home items (refer pages 60-63), or
- you or your family are charged with or convicted of any criminal offences.

If you change your insurance details, we will confirm that we agree to the changes by issuing you a new schedule. You must pay us any additional premium if required.

Things you need to do

Regularly review the insurance value of your property

Remember that the most we will pay for any loss or damage is the sum insured. It is therefore important that the sum insured is sufficient to cover you for any loss or damage which occurs.

When you insure your property, you must decide on a sum insured which is adequate to cover the current replacement cost of your buildings and your contents. When your policy is renewed, we will automatically adjust the sum insured to account for inflationary trends. However, you may have made some changes to your buildings or bought additional contents items. You must therefore check your new schedule to ensure that the sum insured is adequate to cover the replacement cost of your property for the period of insurance shown on your renewal schedule. If you do not do this regularly, you may be under insured.

Please note that Specified contents inside the home (refer page 48) and Cover outside your home Items (refer pages 60-63) which are listed separately on your schedule will remain insured for the values you nominated. As we will not increase the sum insured for these items on renewal, you must specifically ask us to increase these values, when necessary.

Pay your premium

You must ensure that your premium is paid when it is due. For details on your payment options, please refer to page 69.

If you set up a recurring payment, such as a direct debit, it is important to let us know if your bank or credit card details change.

Maintain and protect your property

You must at all times:

- maintain your home and keep your property in good repair,
- take all reasonable steps to protect your buildings and your contents from loss and damage,
- on every occasion you leave your property lock all windows and doors and put into operation any alarm or other security system you have told us about,
- comply with all statutory obligations, government or local authority regulations and by-laws, and
- prevent or avoid bodily injury or damage to other people and their property.

If you do not, we may reduce or refuse your claim.

Proof of ownership and value

You must keep records as evidence of ownership and proof of the value of any items you claim for. This includes contracts of sale, valuations, receipts, credit card and bank statements, instruction manuals or photographs. Without this evidence, we may reduce or refuse to pay your claim.

Things you should know

Dangerous goods

If you keep or use any dangerous or hazardous goods or substances in your home or at the site you must comply with all relevant laws, by-laws and statutory regulations. Should you not do these things and it prejudices our interests, we will reduce any benefit under this policy by any additional amount we have had to pay because you did not comply.

Exclusions

There are a number of General Exclusions which apply to this insurance cover. These are set out on pages 64-67.

Changing your policy

We will advise you immediately in writing if we need to change a provision of your policy at any time during the period of insurance. Any changes that occur as of your renewal date will appear on your renewal schedule.

Joint policy holders

If more than one person takes out this insurance, the names of each will be shown on your schedule. Each of these joint policy holders has authority to make changes to this policy, including removing the name of the other, or to cancel it.

Interested parties

We only cover your interest in your buildings unless we specifically cover the interest of another party, such as a financier or any other owners, which you have told us about. These details will be noted on your schedule. If a financier is noted on your schedule as an interested party, and we agree to settle your claim on a cash basis, we have the option of paying the financier in full or part settlement of your claim.

Notices

When we send you any written notice, it will take effect when it is delivered to your last postal address known to us.

Things we need to tell you

Your premium

How you can pay your premium

You can pay your premium:

- annually, in one amount using cheque, credit card, BPay or direct debit, or
- in monthly instalments by direct debit or credit card.

If you pay one annual premium, the total premium will be lower than if you pay your premium in instalments.

Monthly direct debit payments

When you provide us with bank or credit card details to debit your instalment, you must ensure that you have the authority to use the nominated account. It is also your responsibility to

ensure that sufficient funds are in the nominated account to meet each instalment.

If the instalment collection date falls on a non-business day, we will debit your bank account or credit card on the following business day. If there are insufficient funds, we will resubmit the debit within 15 days unless you request us to do so sooner or advise us of an alternate bank account or credit card to debit.

Unpaid premium

If you have chosen to pay your premium annually, your policy will not operate until you have paid your premium.

If you have chosen to pay your premium in instalments, and any instalment is not paid:

- we will not accept your claim if your instalment is more than 14 days overdue, and
- we may cancel the policy if your instalment is more than one month in arrears.

Cancelling

If you cancel your policy

You may cancel your policy at anytime by contacting us (see page 4). We will cancel your policy when we receive your request or from a later date that you tell us.

If we cancel your policy

We may only cancel your policy where we are entitled to do so by law, including if you:

- failed to answer our questions truthfully and accurately,
- made a misrepresentation to us before the policy was issued,
- made a fraudulent claim,
- failed to pay your premium, or
- failed to comply with the terms and conditions of this policy.

If we cancel your policy, we will notify you in writing and all cover under the policy will stop at the time and date we tell you.

Return premium

If your policy is cancelled and you have paid an annual premium, we will return any premium you have paid for the period after the cancellation date, less any non-refundable government taxes and charges.

If your policy is cancelled and you are paying your premium in monthly instalments, there is no return of any part of an

instalment you have paid. However, you will not have to pay any instalments which would have become due after the date of cancellation.

Renewing

We may automatically continue your cover by sending you a renewal notice at least 14 days before your policy expires. The renewal notice will show the terms and conditions, the period of insurance, any proposed alterations to your policy and the premium payable.

Unless we hear from you, your payments will continue in accordance with the payment option you selected when you first took out this insurance.

We may require you to pay an additional premium if you notify us of a claim that happened in the period between the time we calculate the renewal premium and the expiring period of insurance. The additional premium we require will be based on your revised claims history and any change in your No Claim Discount. The additional premium will not exceed the amount we would have requested had you notified us of your claim earlier.

Indexation protection

When we renew your policy, we will automatically adjust the sum insured for your buildings and your contents to account for inflationary trends. The new sum insured will be shown on your renewal schedule. It is your responsibility to check that the sum insured is adequate to cover the replacement cost of your buildings and your contents. You can ask us to change the sum insured at any time.

Remember that Specified contents inside the home (refer page 48) and Cover outside your home Items (refer pages 60-63) which are listed separately on your schedule will remain insured for the values you nominated. As we will not increase the sum insured for these items on renewal, you must specifically ask us to increase these values, when necessary.

GST

All the benefits listed in this policy include GST. Any claim settlements, up to the sum insured, will include GST. However, the amount we are liable to pay will be reduced by any input tax credit you are entitled to (if you are entitled to an input tax credit, you must tell us the extent of your entitlement).

CLAIMS

Having your property stolen or damaged is stressful. Our claims team is there to support you by guiding you through the claims process. If you do the following things they will be able to handle your claim as quickly as possible.

What to do

What to do	What not to do
Do everything you can to stop further loss or damage from happening.	Do not arrange or authorise any repairs, except if necessary to minimise or prevent further loss or damage. Do not arrange replacement of any property without our prior approval. In the event of fire damage, do not clean or remove debris from the damaged area without our prior approval.
Call the police immediately if the claim involves: <ul style="list-style-type: none"> • theft or attempted theft, or • malicious acts or damage, or • impact by a vehicle, or • civil unrest. Give the police a list of items which have been stolen or damaged. Keep a record of the incident or report number.	
Telephone us on 1300 265 374 as soon as possible.	Do not delay in phoning us because it could disadvantage you.
Tell us if someone is holding you responsible for death or bodily injury to other people or for loss or damage to their property, or if you have received any demands or correspondence related to any such claim.	Do not admit that you are, or may have been, at fault or responsible for the incident. Do not make a promise or offer to pay anyone for anything. Do not delay in sending us any relevant documents you receive.
Keep any damaged property in case we need to inspect it. This includes delivering damaged items to us, if required.	Do not arrange any replacements or authorise any repairs. Do not dispose of any personal effects or property until we tell you that you can.
You may be required to let us or our representatives enter your home to assess the damage or investigate the cause of loss.	

The claims process

What you must do

To help us manage your claim, you must:

- Tell us everything about the loss or damage so that we can assess your claim. Also tell us if you believe that anyone has caused the loss or damage,
- If requested to do so, provide us with quotations for the repair or replacement of your buildings or contents,
- Allow us or our representatives to ask questions or conduct interviews. Provide written statements under oath, if required to do so,
- Allow us or our representatives to inspect your damaged buildings or contents,
- Allow us to take possession of your damaged buildings or contents or property involved in the claim,
- Provide valuations, receipts or other proof of ownership, if we request you to (refer to page 68 for further information),
- If necessary, pay your excess when we tell you to (refer to page 77 for details on when to pay your excess),
- Tell us if there is any other insurance on the buildings or contents you are claiming for,
- Provide us with any information or assistance that we require to investigate and process your claim,
- Advise us of any communication you receive in connection with the claim, and of any court proceedings,
- Cooperate with us if we need to negotiate, defend or settle your claim, or as we exercise your legal right of recovery against any other party. This might include giving evidence in court,
- Tell us about any input tax credits or other amounts you are entitled to, if you are registered for GST, and
- Pay to any financier the difference between our claim settlement amount, if we elect to pay the sum insured of your buildings, and the outstanding amount of your home loan.

What we will do

When you make a claim we will handle your claim in a fair, transparent and timely manner. If we have accepted your claim, this means that:

If your claim is for loss or damage to your buildings

- We will obtain independent, competitive quotes from our recommended suppliers and repairers. You may also provide a quote from a supplier or repairer of your choice,
- We will determine the work that is necessary to repair or rebuild your building, and review the quotes,
- You may choose to make design or structural changes to your building. Any additional cost of such changes is your responsibility. If you choose to do so, we may at our option settle your claim by payment to you of the reasonable cost of repairing or rebuilding your buildings,
- We will decide whether the loss or damage can be repaired or whether to rebuild or pay the cost of rebuilding your buildings. We will pay up to the sum insured of your buildings or any lesser limit that applies, less any applicable excess,
- If we decide to repair or rebuild your buildings:
 - we will choose the supplier or repairer who has provided the most complete and competitive quote,
 - we will oversee the repair or building work and keep you informed of progress, and
 - we will guarantee the quality of materials and workmanship of repairs that we authorise and arrange for the lifetime of your home,
- If we decide to pay the cost of rebuilding your building and your buildings are subject to a mortgage, we will pay the sum insured, less any excesses which may apply, to the financier. If the claim payment does not settle the amount owing to the financier, you must pay the difference or, if the claim payment exceeds the amount owing to the financier, we will pay the difference to you.

If your claim is for loss or damage to your contents

- We may arrange for an assessor to meet with you, to obtain the full details of your loss,
- We will discuss with you how best to make good the loss or damage,
- We will decide whether to repair or replace your contents, or pay the cost of repairing or replacing your contents. We will pay up to the sum insured of your contents or any lesser limit that applies, less any applicable excess,
- We will obtain independent, competitive quotes from our recommended suppliers and repairers. You may also provide a quote from a supplier or repairer of your choice,
- If we replace your contents and you choose items of a better type, standard or specification, any additional cost

of such changes is your responsibility,

- We will determine what is necessary to repair or replace your contents, and review the quotes,
- We will choose the supplier or repairer who has provided the most complete and competitive quote, and
- We will arrange with that supplier or repairer to repair or replace your contents and keep you informed of progress.

For all claims

- The maximum amount that we will pay is the sum insured plus any additional amount you are entitled to as defined under additional covers,
- When we settle your claim, we will reduce the amount we pay by the amount of the excesses shown on your schedule. The different excesses that may apply to your policy are explained on page 17,
- The amount that we pay will be based on GST inclusive costs. However, if you are, or would be, entitled to claim any input tax credits for the repair or rebuilding of your buildings or the repair or replacement of your contents, we will reduce any claim under the insurance by the amount of such input tax credits,
- We may retain your damaged property, materials or items and keep the proceeds of any salvage sale. If you prefer to keep your damaged property, materials or items, we will determine the salvage value and deduct this amount from any payment we make. You may not abandon any damaged property by leaving it with us,
- We may exercise our legal rights to act on your behalf to conduct, defend or settle any recovery action from other people. If we recover more than the claim settlement amount, we will pay you the balance,
- If you are held at fault for any claim against you, and we agree to do so, we will conduct the defence and/or settlement of any action brought about by other people,
- We will pay the legal costs associated with defending any claim against you, if we have told you so in writing and we have appointed the solicitors who will defend the claim, and
- If you withdraw your claim, or we refuse to accept it, you may have to refund to us any of our costs incurred in processing your claim, or payments we have already made to you, including any payments made to any other party on your behalf.

How your claim affects your policy

If your claim is for loss or damage to your buildings

- If we decide that the loss or damage to your building can be repaired, and:
 - we decide to repair your building, or
 - we decide to pay the cost of repairing your building, your policy will continue for the remainder of the period of cover. The sum insured will not be changed. There will be no change to your premium for the period of insurance.
- If we decide that the loss or damage to your building can not be repaired, and we decide to rebuild your building, your policy will continue for the remainder of the period of cover. The sum insured will not be changed. There will be no change to your premium for the period of insurance.
- If we decide that the loss or damage to your building cannot reasonably be repaired, and we decide to pay the cost of rebuilding your building, cover under your policy will cease as soon as we accept liability. Because we will have met our obligation to you under your policy in full:
 - if you have paid an annual premium, we will not return any premium you have paid for the period after the date of loss or damage, or
 - if you are paying your premium in monthly instalments, there is no return of any part of an instalment you have paid and we will deduct any remaining instalments from the amount we pay.

In this case, you will need to take out new insurance cover for your replacement buildings.

If your claim is for loss or damage to your contents

- If we decide that the loss or damage to your contents is less than the sum insured of your contents, and we decide to:
 - repair or replace your contents, or
 - pay the cost of repairing or replacing your contents, your policy will continue for the remainder of the period of insurance and the sum insured will be reinstated. There will be no change to your premium.
- If we decide that the loss or damage to any item or items of your contents is more than the limit that applies to that group or Specified contents inside the home or Cover outside your home item and we pay the amount of that limit for the item, cover for those items under your policy will cease as soon as we accept liability and your sum

insured will be reduced by the sum insured for those items. Because we will have met our obligation to you in full:

- if you have paid an annual premium, we will not return any part of the premium you have paid for the lost or damaged items, or
- if you are paying your premium in monthly instalments, we will not return any part of an instalment you have paid and any remaining instalments will remain payable in full.

You will need to take out new insurance cover if you replace your items.

- If we decide that the loss or damage to your contents is more than the sum insured of your contents, and we pay the sum insured of your contents, cover for your contents will cease under your policy as soon as we accept liability. Because we will have met our obligation to you in full:
 - if you have paid an annual premium, we will not return any premium you have paid for the period after the date of loss or damage, or
 - if you are paying your premium in monthly instalments, we will not return any part of any instalment you have paid and we will deduct any remaining instalments from the amount we pay to settle your claim.

You will need to take out new insurance cover for your replacement contents.

When to pay your excess

We may:

- require you to pay your excess before repair or replacement of property commences or to the supplier when your property is replaced, or to the repairer when your property is repaired,
- deduct your excess from any amount we pay to you, or
- request you to pay your excess at any other time.
